

Free Tuition for all Fremont County Students

“One of the best standard predictors of academic success at Harvard is performance on AP Exams.”
- William R. Fitzsimmons,
Dean of Admissions and
Financial Aid,
Harvard University

Earn Free College Credit Through Advanced Placement Courses

What is Advanced Placement?

AP can change your life. Through college-level AP courses, you enter a universe of knowledge that might otherwise remain unexplored in high school. Through AP Exams, you have the opportunity to earn credit or advanced placement at most of the nation's colleges and universities, as well as colleges and universities in 28 other countries.

Why participate?

With 34 courses and exams in 19 subject areas, AP offers something for everyone. The only requirements are a strong curiosity about the subject you plan to study and the willingness to work hard. Here are just a few reasons to sign up:

Gain the edge in college preparation.

- Get a head start on exactly the sort of work you will confront in college.
- Improve your writing skills and sharpen your problem-solving techniques.
- Develop the study habits necessary for tackling rigorous course work.

Stand out in the college admissions process.

- Demonstrate your maturity and readiness for college.
- Show your willingness to push yourself to the limit.
- Emphasize your commitment to academic excellence.

Broaden your intellectual horizons.

- Explore the world from a variety of perspectives, most importantly your own.
- Study subjects in greater depth and detail.
- Assume the responsibility of reasoning, analyzing, and understanding for yourself.

If you are interested in taking AP Courses or would like more information please contact Fremont County BOCES at:
